Coming to Your School (in alphabetical order)

If you would like a festival artist to come to your school:

- Artists can come and run sessions at your school from Monday 13 to Friday 17 November. They can offer two workshops per half-day. For example, they can run two workshops in the morning or two workshops in the afternoon.
- Each workshop is limited to groups of up to 25-30 children.
- Festival artists will be paid directly by the schools they work in, according to the French tariff for children's book artists (250 euros for half a day).
- This year we are setting up order forms that should help you organise collective orders for parents wishing to buy books in advance for their children. See p.4 for more information about this and contact details for our two partner bookshops.
- We are always happy to work with new schools. If you are really interested in getting your class involved in the festival but your school doesn't have budget for this, please contact us: this year we are setting up a means-based scheme for which some schools may be eligible.
- If the artists don't have time to sign their books after the school workshop, children can visit the Institut français with their parents during the weekend: book signing slots have been allocated for each artist, and both bookshops will stock all festival books. More info to come on our website.
- The artist may need a snack or a lunch if he/she holds two workshops in a row. If so, schools will be told in advance.
- Please fill one booking form per class and send it to H el ene at skkf@institutfrancais.org.uk. See p. 19 for more details.
